LET'S GET READY FOR CAMP

The instructors and staff of the FSU Summer Music Camps are committed to making your FSU camp experience an educational, safe, and exciting opportunity. We hope that we can count on everyone in your family to help us make that happen. We encourage parents to become an active participant in camp preparation, and we are always happy to assist with any questions you might have.

This handbook is a resource for campers as they prepare to come to camp and while they are attending camp. We expect that all campers and parents know, understand, and abide by the policies presented here. Please take the time to read it carefully.

Thank you for choosing the FSU Summer Music Camps for 2018 and we look forward to seeing you this summer!

FIVE ESSENTIAL STEPS TO A GREAT CAMP EXPERIENCE

1. FILL OUT YOUR SUPPLEMENTAL FORMS
You should submit your Supplemental Forms as soon as possible. You can not start camp without having these forms completed. Learn more about filling out these forms on the next page.

2. PREPARE FOR TRAVEL AND CHECK-IN DAY
Your first day at camp will be less stressful if you know where you are going and when to be there. On the following pages you will find travel information, a step-by-step guide to check-in activities, schedules, maps, and more.

Use this handbook to help familiarize yourself with all of the camp essentials. As we get closer to your camp date, look for emails from us with reminders and updates, or sign-up for text reminders about your camp through Remind.com.

3. PAY YOUR BALANCE
Your account balance should be paid in full two weeks prior to the start of your camp. If you are having trouble making your payment or if your payment will be late, please contact our office.

4. KNOW WHAT'S EXPECTED
Being a part of our Summer Seminole community means coming to campus prepared to have fun and learn while following the camp rules. Read the social media, bullying, cell phone, and other camper policies on pages 25-27.

5. PACK YOUR THINGS & HEAD OUT THE DOOR
Make sure you've packed all of the items you need for yourself and for your music instruction. Use the checklist on page 29 to make sure you've got it all before heading out.
FILLING OUT YOUR SUPPLEMENTAL CAMP FORMS

WHAT ARE THEY?
The Supplemental Camp Forms include the following:

- Statement of Voluntary Consent
- Financial Responsibility Agreement
- Medical Information Form
- Copy of your medical insurance card (where applicable)
- Sign-Out Permission Form
- Roommate Request Form
- Elective Class Preference Form (where applicable)
- Special Services Request Form

If you are attending multiple camps you only need to complete the forms once.

HOW DO I SUBMIT THEM?
You can fill out your forms online, or send them back by mail. We ask that you provide this information as soon as possible.

COMPLETING THE FORMS ONLINE
If you choose to do the forms online, please note that the forms system is NOT connected to the username and password that you set up to register for camp with.

Forms can be accessed at: https://fsumusiccampers-fsu.us.fluidreview.com

- If it is your first time coming to camp you will need to create an account.
- If you came to camp last year and submitted your forms online then you probably have an account in this system. **HINT: If you think you might have an account already and try to sign in using your email and then you request a password re-set but you never receive the password re-set email, then it’s a sure sign that you don’t have an account and should make one.**
- If you are unsure whether or not you have an account, or if you are having trouble logging in, please call our office at 850-644-9934 and we can assist you.

Make sure that when you are done filling out your forms online that you click **SUBMIT**. If you don’t **SUBMIT** them, they will not be uploaded to us.

Online form submission will close as follows:
- Week 1 Camps (Choral Ensemble, Majorettes, Piano Camp, Piano Institute, Guitar Workshop) - May 28
- Week 2 Camps (Jazz Ensemble Camps, Double Bass Workshop, Tuba and Euphonium Workshop) - June 04
- Week 3/4 Camps (Band Camp for Senior High, String Orchestra Camp, Honors Chamber Winds Ensemble) - June 10
- Week 5 Camps (Band Camp for Middle School, Marching Band Leadership & Color Guard Camp) - June 24

COMPLETING THE FORMS BY MAIL
If you choose to do the forms by mail please make sure that you send them back with plenty of time before camp. Our campus mail often adds 3-5 days on the mailing process. If it is two weeks or less before the start of your camp, bring the forms with you to check-in.

PAYING YOUR BALANCE

The balance of all camp fees should be paid two weeks prior to the start of your camp. If there are any outstanding fees as of check-in day you will be required to pay them at that time. No camper may start camp if they are not paid in full. If the camper is paid in full prior to your arrival then you will get to skip this step and check-in will be faster!

**PARKING ON CAMPUS**

University Parking Lots are available for use without a permit on weekdays after 5:00pm and all day Saturday and Sunday. If you are checking-in on a Sunday, then parking is available in all FSU parking lots. We recommend the parking garage on the corner of Macomb & Call Street, or the Palm Court Parking Lot located across the street from the parking garage.

If you are checking-in on a weekday or attending a camp event or concert during the weekdays, parking on campus is limited and mostly reserved for permits. Please leave plenty of time to find a space. There are metered spaces available on the street, some metered spaces are available in the FSU Parking Garages, and parking can also be found on the upper levels of the Southgate Campus Centre garage. You may also contact Transportation Services at FSU to purchase a visitor parking permit which will allow you to park in any Faculty/Staff/Student lot for $3.25/day. These passes are available to buy online on the [FSU Transportation Website](http://www.fsu.edu/transportation).

There are also some pay-to-park spaces in the dirt lot across from the music buildings. Unless you are using the pay-to-park spaces, DO NOT PARK HERE. It is privately owned and they actively tow.

**AREA HOTELS**

We know that our camp families come from far and wide to bring young musicians to camp.

The DoubleTree Hotel has been our preferred and dedicated camp hotel for the past seven years. It is located downtown and is just up the street from our College of Music Buildings.

CAMPERS TRAVELING ALONE

Campers do not have to have a parent with them to check-in. They can travel to camp with another family, with a music director, or by themselves. If your son/daughter will be traveling to camp on their own, we suggest that parents call our office (850.644.9934) the week before check-in to confirm the following:

- That all required camp forms have been submitted and all paperwork is in order.
- That the account balance has been paid in full.
- That there are no questions about any medical conditions or medications.
- That we have the correct information for the shuttle pick-up and that shuttle service payment has been made (for those that we are meeting at the airport or bus station).

IF THE CAMPER IS TRAVELING ALONE

We offer a pick-up and drop-off service for campers who will be traveling via mass transit. Though we can make arrangements to take parents in the shuttle as well, you may find it more economical to take a taxi. Shuttle service is available to and from:

- The Tallahassee International Airport (TLH)
- The Greyhound Bus Station, 112 W. Tennessee Street (850.222.4240)
- The Red Coach Bus Stop, W Tennessee St & Woodward Ave (Saint Thomas Moore Cathedral) (redcoachusa.com)

Transportation to and from these locations is $35.00 round trip for pickup/drop-off that take place between 8:00am-10:00pm or $50.00 for a pick-up/drop-off between the hours of 10:00pm-8:00am. There is no discounted price for one way, though you can request transport in only one direction.

HOW IT WORKS:

- For Pick-Up:
  Campers will be met by a uniformed member of our staff. They will assist in baggage claim and then bring the camper directly to check-in or to the dorm depending on arrival time.

- For Drop-off:
  Campers will work with their counselor to be packed and ready to go at the appropriate time for their return trip. Check the campers' final performance estimated end time to be sure you allow at least 3 hours between the end of the performance and the departure time for the campers return trip.

IF THE CAMPER NEEDS TO BE PICKED-UP AT THE AIRPORT OR BUS STATION

Day campers who will drive themselves to camp will need a permit in order to park in the FSU parking lots. Visitor parking permits are available for purchase online for $3.25/day. Visitor permits allow campers to park in any Faculty/Staff or Student space in ungated lots (there is one of these right across from the music buildings). Visit transportation.fsu.edu for more information.

NEVER PARK IN THE DIRT LOT ACROSS FROM THE MUSIC BUILDINGS unless you are using their pay-to-park service. It is privately owned and they actively tow.

OVERNIGHT CAMPERS:

Overnight campers who drive themselves to camp do NOT need a parking permit. They will receive a free parking permit for the Southgate Parking Garage where they will leave their car for the duration of camp. Campers are not allowed to drive during camp, so keys must be turned in to the dorm staff at Dorm Check-In.

OTHER THINGS TO CONSIDER:
Remember to discuss the transport of large instruments with your carrier prior to your trip. Please make sure that your camper has plenty of money for any baggage fees which might occur on the trip home. The FSU Summer Music Camps will not pay for excess baggage fees.

Campers under the age of 14 traveling alone by plane may be considered an “unaccompanied minor”. Check with your airline as this could mean that he/she is required to be picked up by a designated individual. The airline may require the name, address & contact information of that person meeting your camper. If your camper is an unaccompanied minor contact our camp office directly to discuss their arrival and departure.

8. AUDITIONS

**PLACEMENT AUDITIONS**

*Applies To: Band Camp (Middle School and Senior High), Jazz Ensemble Camp (Middle School and Senior High), Honors Chamber Winds, String Orchestra Camp, and Guitar Workshop*

Camper at the above listed camps will perform a Placement Audition at check-in. See the box on the next page for what to prepare.

We encourage campers to prepare for the placement audition and then to trust the decisions of the FSU educators to place them in the appropriate ensemble. Our instructors want all campers to get the most out of their camp experience, and we stand behind the decisions they make. Changes will NOT be made. Please be aware that coming late to check-in or missing check-in may effect your placement and/or seating.

We are proud that our campers have the opportunity to play alongside other student musicians from throughout the 50 states and other countries. The students at our camps come from a variety of backgrounds and musical experiences, and therefore, the ensemble assignment and/or seating campers receive may not be what they are used to back home.

At **String Orchestra Camp**, campers will also participate in re-seating auditions at the end of the first week of camp. Re-seating auditions will only change a student's placement in his/her previously assigned orchestra. Students will not change orchestras as a result of re-seating auditions. For the re-seating auditions, students will perform excerpts selected from their orchestra music. After the re-seating auditions, students are not placed in a rank order based on ability. Instead, they are placed in an order that uses student's individual strengths and weaknesses to help each orchestra perform at the highest possible level.

**OPTIONAL AUDITIONS**

Campers at **Choral Ensemble Camp** have the option to audition for the Honors Solo Recital and for Chamber Choir. Auditions will only take place at camp check-in. **If you cannot arrive during the designated check-in time then you will not be able to audition.**

**Honors Solo Recital**:
16 students will be selected to perform at the Thursday evening Honors Solo Recital. If selected, campers will also be assigned to the Class Voice elective (as one of their two daily electives) where they will work on their piece.

**Chamber Choir**:
If selected, campers will be assigned to the Chamber Choir elective (as one of their two daily electives). The Chamber Choir will perform during the final performance on Saturday morning. Approximately 30-35 students will be selected for this ensemble.

Dorm check-in takes place at The Southgate Campus Centre - 675 West Jefferson Street AFTER you have gone through the first part of check-in at the Housewright Music Building. There is a parking garage on Pensacola Street across from the dorm where you can park.

At Dorm Check-In you will:
- Get your room assignment and counselor assignment
- Get your meal card
- Turn in any medications the counselors will be administering
- Turn over your car keys if you are an overnight camper who drove yourself to camp.
- Get your room key.

After you receive your room key, you can return to your car, get your bags, and head to your room.

WHERE IS THE DORM?

LEAVE YOUR BAGS IN YOUR CAR UNTIL YOU HAVE YOUR ROOM KEY!!

The only things you should bring from your car to dorm check-in is:
- The name tag you received with your Welcome Packet
- Any medications that you are expecting the counselors to administer. These should be packed according to the Medical Care section on page 16.

AFTER CHECK-IN

Once you have received a room key you are officially under the supervision of the camps. If you wish to leave the dorm (to eat, run errands, etc...) you can only do so by being signed-out in the Dorm Office on the 2nd floor by your parents or a pre-approved guardian.

Dinner will be served starting at 5:00pm and it is the first meal covered under the dining plan. All night campers must be in their rooms by 6:00pm and will be taken by their counselors to Opperman Music Hall for orientation.

A specific schedule for your camp follows on the next page(s).

Day campers who have not been picked-up by 5:30 at the College of Music will be walked over to the Southgate Dorm where they will need to be picked up from the camp office on the 2nd floor. Day-Campers wishing to stay on campus during the dinner breaks can walk over to the Southgate Campus Centre with the night campers and purchase dinner for $5.00.

EVENING SCHEDULE
Below is a tentative evening activity schedule. When there are multiple activities, overnight campers must participate in one of them. PEOPLE

DAY COUNSELORS
Day counselors are with the campers while they attend classes during the day. These counselors are primarily undergraduate College of Music students and are a great resource for campers that want to know more about what it’s like to be a student at FSU. Day Counselors are available to assist with anything the campers need, from forgotten items and finding classrooms, to pep-talks and snacks. Day counselors are stationed at the Help Desk in the Housewright Music Building and at Satellite Help Desks throughout the other classroom buildings.

NIGHT COUNSELORS
Our resident staff of night counselors supervise the campers when they are at the dorm and at evening recreation activities. Counselors are primarily upper-level undergraduate or graduate level FSU College of Music students. Many of them were campers in years past. Our counselors are always on hand to assist and to provide guidance, and they are ready to help with homesickness and other issues that might arise at camp.

PLACES

CAMP OFFICES
There is a dorm office located on the 2nd floor of Southgate which is staffed by our counselors 24-hours/day. Campers will come to the office to sign-up for activities, pick-up packages, purchase items from the camp store, or to get assistance from a counselor.

There is a Help Desk in the lobby of the Housewright Music Building. Day counselors will be available for assistance at this location from 7:30am-5:00pm, Monday-Friday, when camp classes are in session.

Our Administration Office is located in the Kuersteiner Music Building Room 214. Office hours are Monday-Friday, 8:00am-5:00pm when camps are in session. Off-season hours are Monday-Friday, 9:00am-4:00pm.

CAMP STORE
A camp store will be set up in the dorm office to sell snacks, beverages, and other miscellaneous items such as laundry detergent, toothpaste and other items that may have been forgotten. This store accepts cash only. For snacks and beverages in the music buildings, there are vending machines which accept debit cards or cash.
CLASSTROOM & PERFORMANCE LOCATIONS

Classes and rehearsals take place in the FSU College of Music buildings: Kuersteiner Music Building, Housewright Music Building, Kellogg Building, and Westcott. We utilize all of the College of Music performance spaces including Ruby Diamond Concert Hall, Opperman Music Hall, Dohnanyi Recital Hall, and Longmire Recital Hall.

DORM

All campers stay in a privately-owned dorm called the Southgate Campus Centre located at 675 West Pensacola Street, Tallahassee, FL 32304.

The building is staffed with a 24-hour security desk in the main lobby. Each room is 220 sq. feet and will house four (4) students. Male and female rooms are separated by floor. Each room has its own bathroom and will contain two sets of bunk beds, two wardrobes for storage, one overhead ceiling light, a shower curtain, and toilet paper. Please don't expect any bells or whistles! After all, this is camp. These rooms are certainly a step up from a cabin in the woods!

The dorm has laundry facilities available. The machines use a laundry card which can be purchased from the camp office. There is time during the two-week camps to do laundry on the weekend. The average cost of a load of laundry (washing & drying) is $2.00.

DINING HALL & MEALS

The dining hall is located on the first floor of the dorm. It provides cafeteria style dining that includes a hot entrée, salad bar, and beverage station with each meal. A sandwich bar is added at lunch, and a dessert station and cereal bar are available at most meals.

Three meals per day are included for overnight-campers starting with dinner on check-in day. You will receive your meal card at dorm check-in. Please keep this meal card in a safe place (we suggest tucked into the back of your name tag). There is a fee for lost meal cards. If you lose your meal card please see a counselor in the 2nd floor dorm office for a replacement.

There is no meal plan included for day-campers. Day-campers may choose to bring their own lunch with them or to purchase meal tickets for the dining hall. Meal tickets are $5.00/meal and can be purchased at the dining hall. Campers who bring their lunch can eat at tables in the Southgate Campus Center lobby or in a designated area at the College of Music. Beverages are available to purchase at the camp help desk and at the camp store, as well as vending machines in the College of Music.

Due to food safety regulations, no outside food or drink (including snacks and food from your dorm room) is permitted in the cafeteria.

The dining hall has limited capability to accommodate special dietary concerns. Though they will certainly try to help where possible, the extent to which they can provide special meals can only be determined on a case-by-case basis. Our camp office can answer general questions regarding dietary concerns. If arrangements are being made for special meals due to allergies, you will meet with the dining hall director at camp check-in to go over the process for getting your allergen free meals.

LOST AND FOUND

We maintain a lost and found at the Help Desk and the Dorm Office. Any items left/lost at camp can be returned at the families expense via the UPS store on campus. The following is the process for items from lost and found:

1. Contact our office at 850-644-9934 or email us at musiccamps@fsu.edu with a specific detail and description of the item(s).
2. We will contact you as quickly as possible about whether the item was in the lost and found or not. If we have found the item(s) you can choose to have it shipped back to you.
3. Once you confirm that you want the item shipped we will bring it over to the UPS Store. ONECE WE HAVE DELIVERED IT TO THE STORE WE WILL CONTACT YOU.
4. After you are notified that the item is at the UPS store you will need to call them at (850) 561-9180. You will need to be prepared to pay with a credit card over the phone and can decide with the UPS representative your preferred method of shipping. It is up to you to ensure the item is actually shipped; the camps are not responsible for any item once it is dropped off with UPS.

Any lost/found items not claimed by JULY 20 will be discarded or donated.
Activities will be scheduled for each evening and will include concerts, rehearsals, and activities such as sports, movie nights, ice cream socials, and more. All activities are supervised by our camp staff. Tentative activity schedules are located in this handbook. Campers will be provided with a final activity schedule approximately two-weeks prior to camp check-in.

Recreation activities take place both on and off-campus. For activities that take place off-campus, campers will be transported using an accredited bus company.

Though there will always be a free activity offered each evening, some optional recreation activities will be offered at an additional fee, approximately $7.00-$15.00. Campers wishing to participate in one of the optional activities that have a fee will sign-up and pay for the activity, with cash, at the Camp Office in Southgate during lunch time.

EXERCISE & SPORTS
We can not make accommodations for campers to workout or practice other sports while at camp. There is not enough time in the campers schedule, and we do not have access to fitness or sports facilities. Campers who wish to exercise by running may do so only if there is a counselor to go running with them during their free time.

COMPUTERS & CLASSWORK
The dorm does not offer internet service. There is limited access to the Internet available for students who are enrolled in an academic course. Arrangements can be made in advance and campers must bring their own laptop. Access will be provided on evenings when the campers schedule permits. Use the Special Service Request Form (part of your supplemental forms) to request computer access for classwork.

WEEKEND ACTIVITIES FOR TWO-WEEK CAMPS

Band Camp for Senior High, String Orchestra Camp, and Honors Chamber Winds:
Camp will continue over the weekend of June 30 - July 1. There will be a required rehearsal of all large ensembles on Saturday morning and then all campers will attend the band concert at 10:00am. The afternoon will be devoted to organized recreation activities and in the evening there will be a dance with a DJ. On Sunday morning, students will be able to sleep in, do laundry, etc. The afternoon will be devoted to recreation activities and will end with our annual variety show!

Camp continues as regularly scheduled on July 4th and all campers are required to attend classes.

Piano Institute:
Camp will continue during the weekend of June 16th and 17th. On Saturday and Sunday there will be practice time and a concert in the morning, followed by recreation activities in the afternoons and evenings. Campers will also be able to sleep in, do laundry, etc.

All Two-Week Camps:
Campers who wish to attend church on Sunday at our two-week camps may do so as long as there is a counselor available to go with them. Though counselors will do their best to take the camper(s) to their preferred denomination, the church selected may be based on how many campers wish to go and how many counselors are available to take them. Campers should let their counselors know early in the week if they would like to attend church so that arrangements can be made.

DAY CAMPERS ATTENDING EVENING ACTIVITIES

Unless there is a required rehearsal scheduled, evening activities are optional for day campers. We hope that all day campers will join us for the fun and music that continues in the evenings.

HOW TO SIGN-UP FOR ACTIVITIES IF YOU’RE A DAY CAMPER:
Sign-up takes place during lunchtime. If you are eating lunch over at Southgate, go to the 2nd floor dorm office to sign-up (and pay if there is a fee for the event). If you are eating lunch at the college of music, go to the help desk in HMU to sign-up (and pay if there is a fee for the event).

WHERE TO GO FOR THE EVENT:
If the event is on-campus, you can go directly to the event location at the start time.

If the event is off-campus and requires bus transportation, you should plan to arrive at the Southgate Campus Center at 6:30pm in order to participate in the event. You may also choose to stay on campus for dinner ($5.00) and then go to the recreation event. During the time between dinner and the start of the event, you will need to wait in the dorm office on the 2nd Floor.

Parents may NOT drive day-campers directly to the event. For accountability purposes campers need to travel to and from the event with our staff.

PICK UP AFTER THE EVENT:
If the event took place on-campus, parents should pick-up the camper at the same location that they dropped the camper off. If the event has ended and the camper has not been picked-up by the time that the night campers are returning to the dorm, the camper will be brough back to the dorm and will need to be picked up from the 2nd floor camp office.

If the event took place off-campus, parents should pick-up campers at Southgate from the 2nd floor dorm office at the conclusion of the event (approximately 9:45pm). No campers will be released from an off-campus location.
The FSU Summer Music Camps does not have a nurse on staff. Employees of the Summer Music Camps are not responsible for making health decisions on behalf of the campers. All medical care will be given by a health professional at one of the facilities listed here.

Campers age 13 and over who experience health problems while at camp will be treated at the FSU Wellness Center (9am-4pm) or at Patients First, a group of local urgent care facilities. Campers age 12 and under will be treated at Patients First. The Tallahassee Memorial Hospital or Capital Regional Medical Center will be utilized for all emergency situations.

If a camper does not necessarily need medical treatment but they are not feeling well enough to attend classes or activities on a particular day, the camper can rest in Sick Bay (located in the dorm adjacent to the dorm office).

TELLING US ABOUT YOUR CAMPER
One of the supplemental forms is a Medical Information Form. This form is used to alert us of any ongoing medical issues or conditions and to instruct us as to how you would like medications to be administered. Please fill out this form with as much detail as possible. No vaccine history or physical examination by a doctor is required.

ONGOING MEDICAL CONDITIONS OR CONCERNS
Our camp can accommodate students that have medical conditions, including those that may restrict participation in activities. We are happy to work with your family to make your campers experience as carefree as possible. If your son or daughter has an ongoing medical condition, has a history of other ailments, or was recently hospitalized for any reason, please alert us on the Medical Information Form or contact us directly in the office to talk through arrangements.

TALK TO YOUR CAMPER ABOUT TALKING TO US
Before coming to camp, be sure that your child knows to alert an adult immediately if they are experiencing any signs or symptoms of medical problems. Campers should know that asking for assistance is the first step to feeling healthy and enjoying camp.

INSURANCE
FSU requires that all families with medical insurance provide a copy of the medical insurance card as part of the supplemental forms. If your family does not have medical insurance you will be asked to indicate this on the Statement of Voluntary Consent Form and agree that all medical costs which may be incurred at camp will be the family's responsibility. Please contact us if you have any questions.

MEDICATIONS
The Summer Music Camps has the following medication policy:

Medications must be turned into the camp office at check-in and will be administered by camp staff UNLESS a Medication Permission Statement has been signed and submitted.

A Medication Permission Statement allows campers to administer their own medications and acknowledges that the camper is fully responsible for securing their medications and taking them as directed by you or the child's physician. In this case, the camp staff will not be involved with your campers medications. The only medications which may be in the camper’s possession without a signed medication permission form are rescue inhalers and Epi-Pens.

You will give us your instructions and make a selection for medication administration on the Medical Information Form.

Option 1. Medications To Be Administered by Camp Staff
If a camper will be bringing prescription or non-prescription medications and you would like them to be administered by camp staff, they must be turned over to the counselors at camp check-in. Medications will be held in the camp office and the camper will come to the camp office at the appropriate time to take the medication. Medications shall be dispensed according to written directions on the label. A log is kept in the camper’s record of each dose. Though the camp staff is not responsible for ensuring that campers take their daily or routine medications, campers that do not come to take for their medications may be pulled from class so that they can take it. The Summer Music Camps also reserves the right to have medication administered by the Health & Wellness Center if necessary or to contact parents if the camper is not taking the medication as directed.

It is the parents responsibility to:

- Provide medications in their original container. Prescription medications should have a label stating the name of the physician, child's name, name of the medication and the medication directions.
- Provide exact dosing information on a sheet to be signed by a parent (required) or the physician (preferred).
- Provide updates and/or changes to medication usage and/or dosage.
- Provide ample medication at the start of camp.
- Ensure that the medications have actually been given to the counselor on the first day of camp.
We suggest that parents pack medications in a large, Ziplock bag marked with the camper’s name on the outside and place a copy of the sheet of dosing instructions inside the bag.

Please note that the camp does not have a supply of common medications to give to campers. Unless you supply common medications (Tylenol, Advil, Benydril, Tums, etc...) for camp staff to administer, any as-needed medications may only be accessed by the camper by going for treatment at the FSU Health & Wellness Center, Patients First, Tallahassee Memorial Hospital or other care facility and then supplied by medical personnel in collaboration with you.

**Option 2. Medications To Administered by the Camper**

If you prefer that your camper be able to administer his/her own medications (prescription and/or non-prescription) you will need to sign the Medication Permission Statement that is part of the Medical Information Form. This statement requests that the camper keep his/her medications on their person or in their room rather than turning the medications over to camp staff. You will also acknowledge that your child will be solely responsible for these medications and for taking them as directed, and that it is not permissible for your child to provide medications to other camper(s) and that doing so may result in dismissal from camp.

Please note that the camp does not have a supply of common medications to give to campers. Any medications beyond what you send with the camper may only be accessed by going for treatment at the FSU Health & Wellness Center, Patients First, Tallahassee Memorial Hospital or other care facility and then supplied by medical personnel in collaboration with you.

**Option 3. Camper will not bring any medications**

With this option you are telling us that the camper will not be bringing any medications, prescription or non-prescription, with them to camp. If the camper needs any medications then they will need to seek medical treatment at the FSU Health & Wellness Center, Patients First, Tallahassee Memorial Hospital or other care facility, and medications would be supplied by medical personnel in collaboration with the parent. The camper will not have any medication in their room or on their person.
When packing for camp, please remember:
1. The rooms are small and have to fit all four campers belongings. Bring only what you really need.
2. Mark ALL your belongings with your name.
3. If something has sentimental value to you - leave it at home!

**BASIC ITEMS**
- Sheets for extra long twin bed *(If you cannot find extra long sheets, you can use two standard twin flat sheets or sleeping bag).*
- Blanket *(the rooms can be very chilly)*, Pillow & Pillow Case
- Bath Towel, Hand Towel, Washcloth
- Personal toiletries including shampoo, conditioner, bath soap, & hand soap
- Small lamp or personal reading light  
  *There is one light in the room on the ceiling and it is not very bright. The rooms tend to be on the dark side. If you want to be able to read, write, etc., especially after the room light has been turned out, you’ll need to bring your own.*
- Alarm Clock
- Charger for your phone
- Refillable water bottle
- Sunscreen
- A small notebook, pens, and pencils

**CLOTHING ITEMS**
- Casual clothes to wear to classes, rehearsals, and recreation activities
- Sneakers or other comfortable footwear*  
  *SAFETY NOTE - Though flip flops may be comfortable summer footwear, they can often be dangerous. When the campus sidewalks get wet, they are extremely slick. We have brought numerous campers to the health center because of sandals. We encourage you to consider bringing footwear that won’t land you in the hospital.*
- Rain jacket and/or umbrella *(This is ESSENTIAL! It rains daily in Tallahassee in the summer!)*
- Sweater or sweatshirt *(rehearsal rooms can get very chilly)*
- Hat, sun visor, sunglasses
- Bathing suit *(Piano Institute, Band Camp for Senior High, String Orchestra Camp, and Chamber Winds only)*

**PERFORMANCE DRESS**
Performance Dress for all camps *(except Marching Band Leadership and Majorettes)*:
- Girls: Black Skirt or Pants (skirts must be below the knee); White Blouse; Black Shoes; Stockings
- Boys: Black Trousers; White Dress Shirt (long or short sleeve); Long, Dark Tie; Black Shoes; Black Socks.

Choral Ensemble Camp: In addition to the dress listed above, campers should bring the following for the Small Ensembles Concert on Friday night:
- Jeans and a t-shirt (we like the camp t-shirt, but any t-shirt is okay).

Marching Band Leadership and Color Guard Camp:
- No special dress required. Regular camp clothes - shorts and t-shirts - are fine.

**ELECTRONICS**
If you decide to bring any personal electronic devices such as a television, laptop computer, game consoles, iPad, camera, etc, please understand the following:
- These items are your responsibility. The camps are not responsible for damage, theft, or loss of any personal item.
- You are sharing a small room with three other people and constantly moving between buildings and rooms. It’s easy to leave something behind or for something to go missing.
- There is no place to secure them when not in use or when you are not in your room. The rooms do not have a safe and there is no lockable location for items to be kept.
- Due to the risk of fire, it is not permitted to bring Hover Boards.

**FOOD ITEMS**
You are permitted to bring snack items with you for your room but we ask you to follow these guidelines:
- Your roommates may have allergies to which you are unaware. Please bring food items that are individually sealed & packaged and consider bringing nut-free items.
- There are no refrigerators. Anything you bring will need to be kept at room temperature.
- The rooms are small and there is not a lot of extra storage space for food. Bring only what you really need.
- Consider a refillable water bottle rather than a case of water.
- You cannot bring food from your room into the cafeteria. It is against health regulations.
MUSIC AND PERFORMANCE ITEMS

- **A MUSIC STAND LABELED WITH YOUR NAME**
  You will be moving this from class to class and building to building with you, so a foldable, compact one is best. (Vocalists and Pianists do not need one).

- **MUSIC** that you’d like to work on at camp in personal practice or private lessons

- **YOUR INSTRUMENT AND INSTRUMENT ACCESSORIES**
  Everyone needs to bring their instrument with them to camp **except as listed below.** Don’t forget your accessories such as rosin, rock stops, cleaning cloths, valve oil, reeds, extra strings, etc.

  *FSU does not have any instruments available for camper use. If you do not own your instrument, we suggest contacting your school music director and arrange to use a school instrument during your camp. If you have extenuating circumstances which may prevent you from bringing your instrument to camp, please contact the camp office. Local instrument rentals are often available through Music Masters: (850) 224-6158, www.musicm.com.*

CAMP RULES & POLICIES

Nothing is more important to us than the well-being of our campers. We expect our campers to come prepared every day to practice, play, and perform. We expect our campers to uphold the standards of our community of camp musicians; helping to maintain a safe and welcoming environment, and helping to foster positive relationships between fellow campers. We are vigilant about emotional safety as well as physical safety, about creating a place where campers feel safe, free from harassment, intimidation or bullying. To this end, the FSU Summer Music Camps requires all campers to abide by the following Behavior Policies:

ATTENDANCE
Attendance at all camp events, rehearsals, and performances is mandatory for all campers. Attendance will be taken at the start of each class, every day. Night campers are not permitted to stay in their rooms if they are not feeling well. Anyone not well enough to go to a camp activity must be resting in sick bay or receiving medical treatment.

If your child is a day-camper and will be absent on a particular day, please call our office at 850-644-9934 to let us know that they will not be in.

BULLYING
Bullying is when one or more people exclude, tease, taunt, gossip, intimidate, stalk, destroy property, hit, kick, or put down another person with the intent to hurt another or at the expense of someone else. Bullying can also happen through cyberspace: through the use of e-mails, the internet, cell phones, text messaging, instant messaging, social media apps, and other less direct methods.

The FSU Summer Music Camps maintains a bully-free environment, and does not tolerate bullying behaviors in any form including the use of social media. Bullying is inexcusable, and campers that are believed to be bullying or participating in bullying behaviors will be subject to immediate disciplinary actions, up to and including dismissal.

CAMPER SIGN-OUT
Campers are only permitted to leave camp as follows:

• Parents may sign-out campers out by going to the Camp Help Desk (lobby of HMU) or the Camp Dorm Office (second floor of Southgate) and showing ID.
• Parents may give written permission for an adult over the age of 21 to sign-out their child by using the Sign-Out Permission Form. You may submit the form online, bring it to us in person, fax it to 850.644.5257, or send via e-mail to musiccamps@fsu.edu.

Campers may visit with friends and relatives who are not music campers in the lobby of the Southgate Campus Centre during the evening hours before curfew and on Saturday & Sunday afternoons only. Guests must register with the dormitory supervisor and are subject to the Rules of Camp. For the safety of all campers, the camp staff reserves the right to deny visitation between campers and non-camp guests. Only music campers are permitted in the residential areas of Southgate.

CELL PHONES AND HAND-HELD DEVICES
Campers are allowed to have cell phones for use during free time. Cell phones and all other devices such as music players, games, tablets, and other similar devices must be TURNED OFF COMPLETELY and PUT AWAY OUT OF SIGHT during all classes, rehearsals, and performances. Campers may not take videos or photos during performances with their phones unless they have received prior approval from the Camp Director, Assistant Camp Director, or Dorm Supervisor prior to the event.

Cell phones that are turned on, visible, or being used during class, rehearsals, concerts/performances may be confiscated according to the following policy by any member of the camp staff:

First Offense: The cell phone will be confiscated for the duration of the event/class/rehearsal/etc. but will be returned to the camper at the end of the event.
Second Offense: The cell phone will be confiscated for a period of 24 hours.
Third Offense: The cell phone or device will be confiscated for the duration of camp. The item will be returned to the camper at check-out.

If a camper’s cell phone is confiscated, parents will still be able to contact the camper either through the Camp Office or the Southgate Campus Centre.

DRESS CODE
Dress for all camp activities is casual (shorts, t-shirts, jeans) but should be appropriate for classroom instruction and for group recreation activities including swimming. Revealing clothing is not permitted and it is at the discretion of the camp staff to require campers to change or cover up if an outfit or bathing suit is deemed inappropriate.
**PERSONAL VEHICLES**

Any camper who transports another camper(s) in their personal vehicle does so at their own risk and is responsible for anything that happens to the other campers while in their car.

**Overnight campers** who drive themselves to camp must turn in their car keys to the dorm staff upon arrival. They will receive a free parking permit for the Southgate Parking Garage where they must leave their car for the duration of camp. Night campers cannot drive cars once they have checked-in and received a room key. Night campers will get their car keys back when they check-out and return their room key. Overnight-campers are not permitted to travel off-campus in a day-camper’s vehicle. Any overnight-camper who travels with a day-camper in the day-camper’s car for any reason may be dismissed from camp.

**Day Campers** are not permitted to transport other campers in their personal vehicles. Day campers who transport overnight campers in their car are subject to dismissal from camp.

**SOCIAL NETWORKING AND INTERNET**

Our camp views social networking sites, personal Websites, Weblogs, and photo sharing sites positively and respects the right of campers to use them as a medium of self-expression. Our camp requires, as a condition of participation in the camp, that campers observe the following guidelines when referring to the camp, its programs or activities, its campers, and/or employees, in a blog, on a Website, or in an app:

1. Campers must be respectful in all communications and blogs related to or referencing the camp, its employees, and other campers.
2. Campers may not post photographs or other likenesses of other campers’ or employees without the individual’s explicit consent.
3. Campers must not use obscenities, profanity, or vulgar language.
4. Campers must not harass, bully, or intimidate other campers or employees of the camp. Behaviors that constitute harassment and bullying include, but are not limited to, comments that are derogatory with respect to race, religion, gender, sexual orientation, color, body image, or disability; sexually suggestive, humiliating, or demeaning comments; and threats to stalk, haze, or physically injure another person.
5. Campers must not discuss engaging in conduct that is prohibited by camp policies, including, but not limited to, the use of alcohol and drugs, sexual behavior, sexual harassment, and bullying.

Any camper found to be in violation of any portion of this Social Networking and Internet Policy will be subject to immediate disciplinary action, up to and including dismissal.

**SUBSTANCE ABUSE**

Smoking of any kind, including vapor products, and substance abuse by campers is not permitted. The use or possession of any non-prescribed drug, alcohol, marijuana, tobacco products, or any other controlled substance; the use of fireworks; the possession of any weapon; stealing; bullying; or the breaking of any civil law or city ordinance is grounds for automatic dismissal from the Summer Music Camps.

**VIOLATION OF POLICIES**

Campers who violate these Behavior Policies or any of the other camp policies shall be subject to disciplinary actions by the Director of Campus Life, the Dean of Students, the Assistant Camp Directors, or the Camp Director, up to and including dismissal from camp.

Any camper who persistently violates academic or Southgate Campus Centre regulations, the standards of the FSU Summer Music Camps, or standards of Florida State University makes himself/herself liable for dismissal.

Should you be dismissed for any of these reasons, your parents or guardians will be notified. They will be responsible for your immediate transportation home. Students dismissed from camp at any time will not be reimbursed any funds paid, including tuition and housing & food payments.
HOMESICKNESS

Homesickness can happen to anyone, and adjusting to camp can be overwhelming for some students. Usually homesickness manifests within the first 24-36 hours, and common phrases to listen for when your child calls are: “I just don’t like camp”; “The music is too easy and I’ve already played this piece at school”; “I’m not making any friends” or “I’m bored.” Most of the time these are usually just warning signs that the student is having trouble adjusting to their new environment. Once they have the chance to overcome these anxieties, most campers don’t want to come home.

If you feel that your child might be having trouble adjusting, encourage them to hang in there and then give us a call so that we can do all we can to help them feel comfortable, involved and happy. Our staff has handled these situations before and have a variety of tools and methods at their disposal to get your child interacting with new friends and on the path to having a great time at camp.

To help your child prepare in the months before camp starts, you may wish to try the following techniques which are endorsed by the American Camp Association:

1. Don’t make a “pick-up deal.”
   Promising “If you feel homesick, I’ll come and get you” undermines children’s confidence and dramatically intensifies homesickness. Instead, normalize their anxiety and talk positively about camp.

2. Spend practice time away from home.
   Nothing builds confidence and teaches a child how to cope with time away from home better than... (you guessed it)... time away from home. That weekend at your folks’ house will do wonders for their adjustment.

3. Double-check the check-in and check-out time for your camp.
   Start camp off on a smooth note by arriving on time and on the right day. Use a wall calendar in the months prior to check-in day to make an exciting count-down to the big day.

SENDING MAIL TO CAMPERS

If you are planning to send mail to a camper while they are at camp, we suggest you do the following:

1. Send it before they leave
   Our campus mail system slows the process down by as much as four days! By sending mail the week before your camper leaves, we will be able to hold onto it until their arrival and give it to them during the camp week. Any packages which need to be forwarded after camp has ended will be at the family’s expense.

2. Send it to the camp administration office
   We encourage you to send mail to our Administration Office (the address on page 1). Mail that is sent directly to the dorm will be received by Southgate employees - not our camp staff. Sending it to the Camp Administration Office is the only way to ensure that the package will get to the right person.

3. Send it via FedEx or UPS
   If you are sending campers anything of value, we HIGHLY suggest sending it via FedEx or UPS. This is the only way to guarantee that your son or daughter will receive the package. If you use the US Postal Service with a tracking number you will find that once the package leaves the Tallahassee Post Office and enters the campus mail system the tracking number will no longer work and it will seem like the package has been lost. The Post Office will not be able to help you track it down. Only FedEx and UPS will enable you to track your package all the way through delivery.

4. Next Day Service doesn’t really mean next DAY.
   Mail and packages are only delivered to the College of Music once per day - usually at about 3pm. Even if you pay for AM delivery, expedited overnight service or priority delivery, it won’t be delivered to our office until the late afternoon. It will then be given to the counselors who will get it to the camper at dinner time. Bottom line - if you send something on a Tuesday via overnight service, don’t expect the camper to get it until Wednesday evening at the earliest.

MONEY

Most of the items that campers spend money on are snacks, drinks, the occasional pizza delivery, and recreation activities. All of these are payable with cash only. The following is a list of common expenditures: Optional Activities/Field Trips: $7-$15/event, Snacks/Pizza/Other Spending: $50 per week.

We encourage parents to make sure that campers have enough money for activities before they leave. It is difficult for parents to get money to campers once they have left campus. The camps are not permitted to cash checks. In the event that you need to send money to a camper after they are here, you will need to utilize the Western Union at the Publix on Ocala Road. You will need to work with your camper and their counselor to determine a time that they can go to receive the transfer.

If you are concerned about your child carrying cash (there are no safes in the rooms), you might consider a pre-paid ATM card. These are available at Walmart and most convenience stores or grocery stores. Just make sure that it can be used as a debit and ATM card. There is a SunTrust ATM machine in Southgate where the camper can withdraw cash from the pre-paid card when they need it.
